Does Room Display support both Microsoft and HCL Domino environments?

FAQ · https://support.ontimesuite.com/docs/faq-otrd/does-room-display-support-both-microsoft-and-hcl-domino-environments/

Yes. Room Display supports both Microsoft (Microsoft 365, Exchange Online, and Exchange On-Premises) and HCL Domino environments. Although the configuration steps differ slightly, both platforms provide the same Room Display functionality once configured.
